Re: United States v. H.C. Angle, Equity No. 30 CV-S-80-583-LKK

Dear Mr. Wagner:

I enclose a form of notice of payment required under the order of this Court in relation to compensation and expenses of the Water Master for the current year.

On June 21, 1984, the Court approved this procedure, and each year at this time, counsel for the United States lodges a pleading with the Court which, when executed by the Court, allows the Water Master to be compensated pursuant to this Court's directive. Please execute the form in the place entitled "Clerk of the Court," date the form, and file with the document with the Court. Please return a file stamped copy to George Wilson, Water Master, in the attached self-addressed franked envelope. Mr. Wilson will be responsible for mailing out the notices with the appropriate exhibits.

Sincerely,

/s/ Charles R. Shockey
