Subject: Request for Concurrence with the Proposed Addition of Lands to the Angle Decree, Orland Project, California

Dear Mr. Heaton:

This is in response to your letter dated October 10, 2006, in which you request my opinion regarding the proposed changes to Orland Project Land Schedule contained in the decree of the United States District Court for the Northern District of California in the matter of the United States of America v. H.C. Angle, et al., In Equity 30 (Angle Decree).

It is my opinion that the changes to the Project Land Schedule proposed by the Bureau of Reclamation are appropriate and will not infringe other water rights established by the Angle Decree and will not cause injury to another party.

Sincerely,

George G. Wilson  
Water Master
