Re: United States v. H.C. Angle, In Re: Equity No. 30;
CV-S-80-583-LKK (E.D.Cal.)

Dear Ms. Minor:

I enclose a renewed notice of payment required under the Court's Order to compensate the expenses of Mr. George Wilson, the Court-appointed Water Master in this case. On June 21, 1984, the Court approved this procedure. Each year at this time, counsel for the United States lodges a pleading with the Court which, when executed by the Court, allows the Water Master to be compensated pursuant to this Court's directive.

Please execute the form in the place entitled "Clerk of the Court," date the form, and file with the document with the Court, then return a file stamped copy to Mr. Wilson at the address indicated below. Mr. Wilson will be responsible for mailing out the notices with the appropriate exhibits. Thank you for your assistance.

Please contact me if you have any question regarding this matter.

Sincerely,

/s/ *Charles R. Shockey*
