

NOTICE TO A RESPONSIBLE AGENCY
or a
PUBLIC AGENCY HAVING JURISDICTION OVER A NATURAL RESOURCE AFFECTED
BY A PROJECT

California Public Resources Code §21167.6.5, subdivisions:

"(b) The public agency shall provide the petitioner or plaintiff, not later than 10 business days following service of the petition or complaint on the public agency, with a list of responsible agencies and any public agency having jurisdiction over a natural resource affected by the project.

"(c) The petitioner or plaintiff shall provide the responsible agencies, and any public agency having jurisdiction over a natural resource affected by the project, with notice of the action or proceeding within 15 days of receipt of the list described in subdivision (b)."

On 04/12/2010 I filed a petition in Superior Court in Sacramento , case # 34-2010-80000513 , against the State Water Resources Control Board for a number of causes, including failure to comply with the California Environmental Quality Act, in their consideration of a petition by the U.S. Bureau of Reclamation regarding Stony Creek in Glenn, Tehama, and Colusa Counties.

SWRCB has refused to provide the list under subdivision (b) so I have independently determined that your agency is either a responsible agency or you have jurisdiction over a natural resource affected by the project. The project is the cumulative escalating control over the Stony Creek Watershed by the U.S. Bureau of Reclamation, of which their instant petition to extend the SWRCB permit for Black Butte Reservoir waters is just the latest piece.

For your convenience a copy of my petition is at <http://www.mjbarkl.com/swrcb.pdf> with exhibits at <http://www.mjbarkl.com/exhibita.htm> . On my web site at <http://www.mjbarkl.com/wars.htm> within Section "VI - RELATED CASES" under SWRCB Ap. A 18115 , I link these two copies plus pages on the cumulative impacts of their project, my underlying protest, my petition for reconsideration, and supplements thereto, my related motion in U.S. District Court, Eastern District, California (case #80-583) under the Angle Decree (<http://www.mjbarkl.com/decree.htm>), and so on.

If you have any questions that I might answer, please let me know. Thank you.
