

**STATEMENT OF CANDIDATE FOR
U. S. REPRESENTATIVE IN CONGRESS, DISTRICT 10**

MICHAEL J. "MIKE" BARKLEY

Occupation: Lawyer/CPA/Programmer

My education and qualifications are: Dear friends and neighbors, I am a lawyer, certified public accountant (inactive), computer programmer, rancher, Navy veteran, and activist in local government, water, flooding and environmental issues. My mix of skills makes me uniquely suited to represent you in Washington. I live in Manteca and I'm in the phone book. I'm less than 40 minutes away from most of you. I have met more than 100,000 of you at your front doors over the past 4 years.

Before you vote, please see my platform on my web site, mjbarkl.com/run.htm (mjbarkell.com). My specific proposals on my platform will solve many problems and save many lives in this state and country. As my platform shows, I am a very strong advocate for labor and for bringing jobs back from overseas. At front doors you independent voters demand specific platform proposals, not broad generalities. For you balanced budget voters, my U.S. Budget on my platform balances this year, ends deficit spending, fully funds Medicare-for-all and protects Social Security forever with no cuts. For fellow farmers, my 44 million acre-feet specific Federal/California water plan on my platform supplies 100% of your irrigation needs forever and solves most other California water problems and my U.S. Budget funds it fully without deficits. My home email, phone, and home address are on that web page. Please email me any questions and comments you might have or invite me over for a chat.

Thank you and best wishes, Mike Barkley

JEFF DENHAM

Occupation: Businessman/Farmer/Representative

My education and qualifications are: As your San Joaquin County representative, I am working to improve our economy, protect our farms and small businesses, increase water storage and eliminate debt and wasteful spending.

I'm a Valley resident, 16 year Air Force veteran and local almond grower who ran for Congress out of concern for the taxpayers, farmers, small business owners, seniors and veterans who needed a voice in Washington.

My top priorities are to get spending under control and to keep us safe. Irresponsible spending created a \$20 trillion debt. Tax increases are not the answer. The average American already works until July 15 just to pay for government. We need jobs in the valley; not more regulation and government. We need to stamp out terrorists before they attack us on our homeland.

My Veterans Jobs Bill, signed into law, helps returning veterans use their skills to land good jobs after their service is finished. I voted to hold VA bureaucrats accountable when they fail our veterans.

I have the support of San Joaquin County Supervisors Bob Elliott and Chuck Winn, the Tracy, Manteca, Ripon and Escalon Mayors, the entire Ripon City Council and many more. Please visit www.DenhamForCongress.com to learn more. It's an honor to serve you.
Thank you.

ROBERT HODGES

Occupation: Farmer and Denair School Board Trustee

My education and qualifications are: I was born at Emanuel Hospital in Turlock to great parents, attended public school in Denair graduating from Denair High School. My family has been farming in Stanislaus County for the past 100 years. I proudly continue that legacy today. As a farmer and Denair School Board Member, I know first-hand how off track our government has become. Whether it is the federal government trying to educate our children with Common Core, or establishment politicians boosting our national debt past \$19 trillion, the government is out of control because we have ignored the Constitution and common sense.

As your Representative I will put our country first and I pledge to do the following: never vote to raise the national debt ceiling; vote to secure our borders; vote against funding abortion; vote to take care of our veterans; vote to take pay away from Congress if we don't balance the budget; support term limits for Congress, and always reside in District 10.

It's time to elect someone who isn't part of the status quo establishment. I ask for your vote.
